

SUMMER SEMESTER 2023/2024**2nd year ENGLISH DIVISION****Monday****Lectures**

10:45-12:15 Animal Physiology II, room VI W (B3)

12:45-14:15 Animal nutrition and feed quality, room VI W (B3)

14:30-16:00 Pathophysiology I, room VII W (B4)

Labs

Animal nutrition and feed quality room 366 (E11)	
ED3	17:00-19:15

Tuesday**Lectures**

8:15-9:45 Veterinary Microbiology II, room V W (B2)

Labs

Polish Language room 307 (B8)		Animal nutrition and feed quality room 396 (E11)		Veterinary Microbiology II r. MBW (A3)	
ED1	10:00-11:30	ED4	13:00-15:15	ED3	10:30-12:00
				ED1	12:15-13:45

Wednesday**Lectures**

8:00-9:30 Technologies in animal production, room III W (A3)

Labs

**Technologies in animal production r. III W (A3)		Animal nutrition and feed quality room 366 (E11)		Polish Language room 307 (B8)	
ED2, ED4	9:45-11:15	ED2	12:45-15:00	ED4	12:00-13:30
ED1, ED3	11:30-13:00	ED1	15:15-17:30	ED3	14:00-15:30
				ED2	16:00-17:30

*Classes are conducted in auditory groups (AUD 1 and 2), which include laboratory groups (1-4). A detailed schedule of classes will be provided by the Course Coordinator.

**Classes are organized alternately, every 2 weeks. A detailed schedule of classes will be provided by the Course Coordinator.

Thursday

Labs

Animal Physiology r. 335W (A3)	
ED3	8:00-10:15
ED1	10:30-12:45
ED4	13:00-15:15
ED2	15:30-17:45

*Ecology of game animals r. VII W (B4)	
2 AUD (ED2, ED3)	12:00-13:30
1 AUD (ED1, ED4)	16:00-17:30

Friday

Lectures

13:45-15:15 Veterinary immunology room V W (B2)

Labs

8:00-10:00 Spanish/Germany language room 307 (B8)

**Veterinary immunology room 2LW (A3)	
ED1, ED3	10:15-13:15
ED2, ED4	15:30-18:30

Veterinary Microbiology II r. MBW (A3)	
ED4	10:15-11:45
ED2	12:00-13:30

*Classes are conducted in auditory groups (AUD 1 and 2), which include laboratory groups (1-4). A detailed schedule of classes will be provided by the Course Coordinator.

**Classes are organized alternately, every 2 weeks. A detailed schedule of classes will be provided by the Course Coordinator.
